Dr. Hector Garcia

Corpus Christi, Texas

Dear Hector:

It's always a pleasure to receive encouraging telegrams from prejudiced friends, and especially in the midst of the busy convention. It bolstered our spirits.

Hector, I have not reached a final decision about 1976, but should the time come, I am going to need that 100% from my good strong friends. I shall especially value yours.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lloyd".
