Dr. Hector Garcia 1315 Bright Corpus Christi, Texas 78405

Dear Dr. Garcia:

It was so nice of you to speak to Mr. Lucido's American Cultures class this morning. It is so important that students of today be made aware of the variety of career information.

Those of us working with career education appreciate the professional and business people in the community who are taking time from busy schedules to participate in public school activities. A community resource person is so vital to the success of career education.

Please come visit us at Moody again, soon.

Sincerely yours.

uly & (Miss) Judy Bly
