

April 8, 1975

Dear Mr. Garcia :

We, as an individual group of citizens of Corpus Christi, are contacting your organization because you are, or could be, an influential body in Corpus Christi.

Our purpose, at this time, is to ask your organization to send a bonified representative who can speak for your group to a meeting on April 16, 1975; in order to form a coalition in agreement on one single means by which all parents would be allowed to express where they want their children to attend school in the Corpus Christi Independent School District.

As provided in the Constitution of the United States of America, any individual should have the freedom of that expression.

Your failure to attend or be represented at this meeting shall mean to us that you do not agree. Your attendance at this meeting does not mean that you have joined or intend to join the coalition; you must, due to the time factor, come prepared to decide this at the meeting.

The meeting will be open only to those representatives invited and the news media.

Sincerely,

Sandy Whiddon
Acting Chairperson
