Dear Dr. Hector:

This letter has further reference to the personal interest you have expressed on behalf of Edward G. Elizondo and the problem which arose relative to his being offered an appointment to the United States Naval Academy.

Dr. Hector, I am always proud to work closely with you and appreciate your interest and thoughtfulness in bringing situations of this kind to my attention.

In further reference to our long distance call of yesterday, I have now received a copy of a letter of May 29 being sent to Mr. Elizondo offering him an appointment to the United States Naval Academy. I join you in encouraging him to do his very best in all areas of endeavor and wish him continued success.

Sincerely yours,

John Young
