Mrs. Susana Santos has one child, Salvador Santos III, age 3 yrs old. He is a hyperactive child. I have seen Mrs. Susana Santos and have read the statements from Dr. Shannon Gwin, the psychiatrist and also the letters from Father Henry Romer, the Pastor from St. Joseph's Church.

I also believe that because of the family situation and the sickness of the wife and the child that it would be beneficial if Sargent Salvador P. Santos would be assigned at least within the continental, United States, and preferably in Texas.

I feel that if he is shipped overseas or to places like Germany that the family situation would deteriorate.

Thank you very much.
