Dear Dr. Garcia:

Please excuse the form letter but I need to reach 52 persons at once.

I need your cooperation in a very important project that involves you.

DEDICATION REWARDED has received enough readers response to justify our printing it in booklet form. We are compiling all the profiles that ran the first year - from February 1973 to February 1974 - as Volume I. Our goal is to have it ready by September for distribution when school starts.

The booklet will be bilingual and is scheduled to go to press the first week in July.

I am sending you copy of your profile as it appeared then. Please make all necessary corrections - additions or deletions - at your earliest convenience. For those of you from out of town if it is more convenient for you to call me and give me the corrections by phone please do so at 512-225-7411, or mail them as soon as possible.

Those living in San Antonio can either call me or drop it by the office.

We need the copy as soon as possible so we can get the translation under way. I will contact you later for photographs that will be used as illustrations.

We are so anxious to get this going. Your immediate consideration is greatly appreciated. Thank you.

Kindest regards,
