Dear Dr. Hector:

An extremely heavy schedule of business in Congress, and especially in connection with the Joint Committee on Atomic Energy and the House Committee on Rules on which I serve has prevented my getting back to the District as quickly as I had hoped, in order to thank you personally for all that you did to make "An Afternoon with John Young" in Skidmore a success.

I consider it a high privilege to represent our Fourteenth Congressional District in Congress, and I am pleased and proud of the confidence and support of good friends like you who make my service possible. Until I can thank you in person, please accept this note as an expression of my genuine appreciation.

With kindest personal regards, I am

Sincerely yours,
