RE: MRS. HORTENCIA BENAVIDEZ 3901 REYNOSA CORPUS CHRISTI, TEXAS

Dr. Gary Slider C.C. State School. Corpus Christi, Texas.

Dear Dr. Slider.

Mrs Hortencia Benavidez has been my patient for close to 15 years. She is very upset and tense and nervous for the time being because of her job being changed. This job change came as a surprise to her. I would like you to please investigate her case and inform me as to your findings.

She has been working in the C.C. State School for five years. She was working as the First Relieve Charge in the Ribbon Fish Dorm. Suddenly she was told that she could not hold this job anymore.

She has protested such action but she has not received a satisfactory answer to her problem. She wishes to return to her previous job.

Please see if you can help her. She is one of the persons with the longest tenure there.

Yours very truly, br. Hector P. Garcia
