Dear Friend:

I am enclosing a clipping on our strength in Texas.

I am particularly pleased that the Texas Poll showing my 62% approval rating also indicates strong support from all categories except the extremes on both ends of the political spectrum. It was also gratifying to see the improvement in overall hard support from the 1972 poll.

Keep up the good work. I am sure a portion of my strong showing is due to your efforts. However, it's a long time until election day and we can't afford any overconfidence.

Sincerely,

Lloyd Bentsen
