To Whom It May Concern:

Mrs. Maria Hernandez has four children who are: Sandy age 12, Maria Antonia age 9, Gabriel age 8 and San Juanita 7 years. Mrs. Hernandez and her children were abandoned by her husband about two weeks ago.

Mrs. Hernandez is ill and unable to work due to bad edema of her feet. She has no source of income and had to move out from the home where she lived with her husband because she had no way to pay rent. At present she moved in with her sister who has children of her own and too many people in one home.

I would appreciate the assistance you can give this poor lady and her children. Thank you with anticipation for the service you can render this needy family.

Sincerely,
