Congressman John Young
U.S. House of Representatives
2419 Rayburn Building
Washington, D. C. 20515

Dear Congressman Young;

I have reviewing the copies I have of U.S. Participation in the UN and I did not find any copies for 1973.

Congressman, I appreciate if you could help me obtain two copies of the 1973 issue of "U.S. Participation in the UN".

Thank you Congressman for your assistance and your courtesy. I appreciate all the information you have sent me before.

Sincerely,

Hector
