Dear Doctor Garcia:

Thank you so much for the recent and generous contribution you have made to the work of PADRES. Supporters such as yourself help us to more effectively fulfill our ministry for the service of the Hispanic peoples of this country.

The PADRES Newsletter will help you to keep abreast of the current developments in Hispanic ministry. Some of your friends or acquaintances may also be interested in supporting these efforts. Please send us their names and addresses in order to invite their help and send them our newsletter. Enclosed is a response sheet for this purpose.

I ask for your continued prayerful support, and whatever financial help you may, from time to time, be able to give. May the Lord reward you for helping our ministry be of even greater benefit to the whole church and world.

Sincerely yours in Christ,

*Manuel Martinez OFM*
