Memorial Medical Center Corpus Christi, Texas June 18, 1976

To: Members of the Pediatric and Family Practice Departments

From: Pediatric MCE Committee

Subject: Distribution of audit on "Acute Gastroenteritis"

In view of deficiencies found on audit on topic "Gastroenteritis," the Pediatric MCE Committee recommended to send an amended copy of the audit material and Summary for information and review by each member of the Pediatric and Family Practice Departments.

The audit will be presented to the Joint Pediatric Department Meeting on July 7 for approval before submittint ti to the Excecutive Committee.
