Dr. Hector P. Garcia

Corpus Christi, Texas

Dear Dr. Hector:

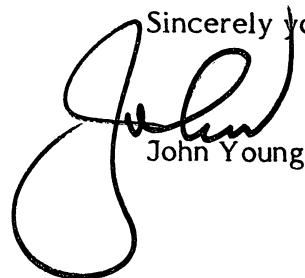

I want to acknowledge with deep appreciation your kind and thoughtful expression of friendship and support, particularly in these times of wild and unsubstantiated allegations and accusations.

The national media being what it has become today leaves little opportunity for those of us in public service to get our positions handled with any objectivity, simply because the facts often fail to meet the modern media criteria of the ultraspectacular of "getting there first with the worst". The damage the media has done to me, my family and friends leaves me little recourse, save in the courts. I am confident this matter can and must be resolved on the basis of evidence and facts that, as of now, have never appeared in the media coverage.

In the meantime, reassurances from friends like you, old as well as new, give me confidence and courage in this fight.

With deep appreciation and best wishes, I remain

Sincerely yours,

John Young

Dear Freddie:

Thank you for your letter and information concerning the activities and responsibilities of M.E.T., Inc. Your services are urgently needed, and I hope you will never hesitate to let me know how I might assist you and your staff.

I hope you also have written to Congressman Omar Burleson, who represents a majority of the counties in Region VI. Of the 31 counties in your region, only eight are in the 13th Congressional District I am privileged to represent. I have enclosed the information you requested on those counties.

My best regards.

Sincerely,
