Dear Assassinations Study Supporter:

As I am sure you have learned by now, the U. S. House of Representatives finally passed on September 17 a resolution creating a select committee for the purpose of studying the deaths of President John F. Kennedy and Dr. Martin Luther King, Jr., and possibly other assassinations.

A copy of H. Res. 1540 (which is a revision of my original proposal, H. Res. 204, which I introduced on February 19, 1975) is enclosed for your information. I am also enclosing a copy of the biographical data on Richard A. Sprague, who has been named the acting counsel and director of the House Select Committee on Assassinations. Under separate cover my office has sent you a copy of the list of House Members who have been appointed by House Speaker Carl Albert, to serve on the 12-member Committee on Assassinations.

In the coming months the work that will be done by the present committee and staff will determine the future of our efforts to determine the truth regarding the political assassinations. It is a very critical time. The record of this committee and its staff between now and the end of this year will certainly be considered by the 95th Congress in determining whether that Congress votes to continue the work of and to reconstitute the committee.

Again, I want to thank you for your interest and support. Your continued support will be greatly appreciated. It is important that you communicate your interest to your U. S. Representative again in the new Congress which opens on January 4, 1977. This further communication on your part is especially important if you have a new U. S. Representative as the result of the November 2 election.

With every good wish to you, I remain

Sincerely yours,

Henry B. Gonzalez, M. C.

H. RES. 1540

IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 14, 1976

Mr. GONZALEZ (for himself, Mr. DOWNING of Virginia, and Mr. FAUNTROY) submitted the following resolution; which was referred to the Committee on Rules

RESOLUTION

1 *Resolved*, That there is hereby created a select commit-
2 tee to be composed of twelve Members of the House of Rep-
3 resentatives to be appointed by the Speaker, one of whom
4 he shall designate as chairman. Any vacancy occurring in
5 the membership of the select committee shall be filled in the
6 same manner in which the original appointment was made.

7 The select committee is authorized and directed to con-
8 duct a full and complete investigation and study of the cir-
9 cumstances surrounding the death of John F. Kennedy and
10 the death of Martin Luther King, Junior, and of any others
11 the select committee shall determine.

12 For the purpose of carrying out this resolution the select

1 committee, or any subcommittee thereof authorized by the
2 select committee to hold hearings, is authorized to sit and
3 act during the present Congress at such times and places
4 within the United States, including any Commonwealth or
5 possession thereof, whether the House is in session, has re-
6 cessed, or has adjourned, to hold such hearings, and to re-
7 quire, by subpoena or otherwise, the attendance and testimony
8 of such witnesses and the production of such books, records,
9 correspondence, memorandums, papers, and documents as it
10 deems necessary; except that neither the select committee
11 nor any subcommittee thereof may sit while the House is
12 meeting under the five minute rule unless special leave to sit
13 shall have been obtained from the House. The chairman of
14 the select committee may establish such subcommittees of the
15 select committee as he considers appropriate. A majority of
16 the members of the select committee shall constitute a quorum
17 for the transaction of business, except that the select com-
18 mittee may designate a lesser number as a quorum for the
19 purpose of taking testimony. The select committee may em-
20 ploy and fix the compensation of such clerks, experts, con-
21 sultants, technicians, attorneys, investigators, and clerical and
22 stenographic assistants as it considers necessary to carry out
23 the purposes of this resolution. The select committee may re-
24 imburse the members of its staff for travel, subsistence, and
25 other necessary expenses incurred by them in the perform-

1 ance of the duties vested in the select committee, other than
2 expenses in connection with meetings of the select commit-
3 tee or any subcommittee thereof held in the District of Co-
4 lumbia. Subpenas may be issued under the signature of the
5 chairman of the select committee or any member of the select
6 committee designated by him, and may be served by any
7 person designated by such chairman or member.

8 The select committee shall report to the House as soon
9 as practicable during the present Congress the results of its
10 investigation and study, together with such recommendations
11 as it deems advisable. Any such report which is made when
12 the House is not in session shall be filed with the Clerk of
13 the House.
