Dear Senator Bentsen:

Enclosed you will find a letter dated August 16, 1976, in which Eloise R. Lee, Personnel Staffing Specialist, Employment Division - Department of State, has informed me that no position is available at the present time.

However, I feel that I must keep you informed, so that when a position does come available, according to their need, you may be in a position to help me with further references.

We again want to thank you for your help. Please feel free to call on me for further information.

Sincerely,
