Dear Dr. Garcia:

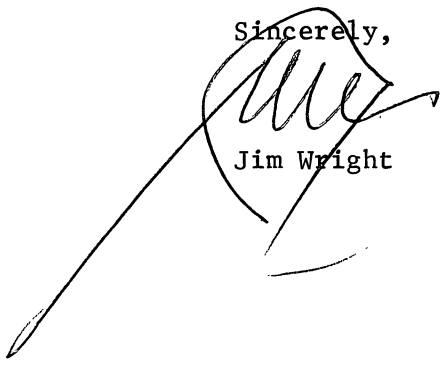

Thanks for your gracious letter of December 15. It was good to receive the material you promised. I surely enjoyed our recent visit, even though it was much too brief.

I will by all means work with your own able Congressman, John Young, and other members of the Texas delegation on the Naval Air Station matter. Hope we can do some good.

I appreciate, also, your sending the resumes on Tony Canales. I am sure that he is everything you say he is, and I will give him whatever help I can.

Best wishes.

Sincerely,

Jim Wright
