Dear Hector:

I appreciate your comments in behalf of Joaquin Govella.

I am encouraged by the fact that he is willing to devote his time and effort to ensure the success of the new Administration. He is obviously well-qualified to make a significant contribution to the Carter Administration and our country.

I am contacting the White House in his behalf, and I know President Carter and his staff will carefully consider his credentials. Obviously, your recommendation will be important to any final decision.

Thank you for contacting me in regard to this position.

Sincerely,

Lloyd Bentsen
