Dear Hector:

Thank you very much for the material you forwarded to me. Following our conversation, I did some additional research and made additional inquiries concerning the procedure in question. It appears that these committees are being selected all over the country and that each committee is selected to fill a particular vacancy on one of the circuit courts. The only thing I do not understand is making your appointment effective to a particular date, rather than terminating it upon making your recommendations to the president. Obviously no Texas lawyer would be eligible for consideration for the appointment that you are to consider so it would be inappropriate for my name to be submitted. Please keep me in mind should the occasion arise and thank you again. My regards to Wanda and all.

Sincerely yours,

James DeAnda
