Dear Mr. Perez:

I would like to take this opportunity to express my support and endorsement for GOMA's statewide proposal for funding under CETA Title III, Section 303 FY '78.

As a Senator from an area where there is a critical need for comprehensive planning and assistance to migrants, I feel the program being proposed by your office would go a long way in meeting those needs.

If there is anything I can do to assist you, please do not hesitate to contact me. With best regards, I remain

Very truly yours,
