Dear Dr. Garcia,

It is my pleasure to inform you that the United States Commission on Civil Rights, at its last meeting, reappointed you to membership on the Texas State Advisory Committee for a term which expires June 1979.

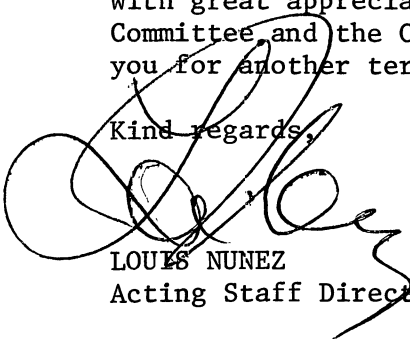

I am certain that your continued participation on the Advisory Committee will be a mutually rewarding experience for you and the other members of the Committee.

The Chairperson and staff of the Regional Office serving your Committee have been informed of your reappointment. You can expect to hear from them soon regarding Committee activities and programs.

Under separate cover we are sending you a roster of the current members of your Committee and a new State Advisory Committee Identification Card to replace the one you may now have.

With great appreciation for your past service to the Advisory Committee and the Commission, we look forward to working with you for another term.

Kind regards,

LOUIS NUNEZ
Acting Staff Director
