Dear Dr. Hector:

In reference to my previous correspondence concerning Corporal Johnny Contreras' interest in obtaining a Hardship Discharge I am happy to report that the information received from Marine Corps officials and forwarded to you on September 13th was erroneous.

Marine Corps officials have contacted me to express their apologies in furnishing the erroneous information and have advised me that Corporal Contreras' discharge was approved and effectuated September 2nd. I am delighted with the outcome of this matter and wish Corporal Contreras every success in his future endeavors.

With kindest regards, I am

Sincerely yours.
