Dear Dr. Hector:

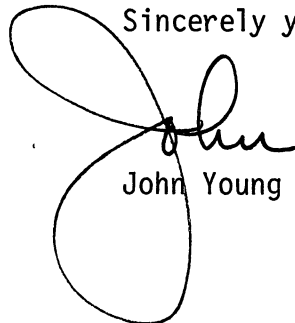

This letter is in reference to your recent correspondence on behalf of Private Samuel Mora who desired a compassionate reassignment to the Texas area due to the health of his wife.

Please find enclosed the copy of a letter received from the Department of the Army in response to my inquiry concerning Private Mora advising that he does not intend to submit an application for reassignment. Instead Private Mora intends to find proper housing in order to bring his family over to be with him.

I hope this information proves helpful to the Mora family and I look forward to hearing further from you.

With kindest regards, I am

Sincerely yours,

John Young
