Dear Dr. Olivarez:

Dr. Hector Garcia (Corpus Christi, Texas) has entreated me to contact you on behalf of the Children's Heart Program of South Texas. I am anxious to comply to this request and urge your personal attention.

The Children's Heart Program services 27 South Texas counties, 26 of which are among the poorest in the country and, therefore, without heart specialists. Programs such as this exude pride in government and my prayer is that their grant be renewed. This is vitally important.

Any and all consideration you may afford this request is deeply appreciated.

Sincerely,

A large, stylized handwritten signature in cursive script that reads "John C. White". The signature is written in dark ink and is positioned above the printed name and title.

JOHN C. WHITE
Chairman
