

THE WHITE HOUSE

WASHINGTON

March 1, 1978

Dear Hector:

I hope you will enjoy the attached picture of yourself and the President which was taken during your recent visit to the White House. I would have had the pictures out a little sooner to you except that the President wanted to personally sign each one.

By all accounts the meeting with the President and his top advisers was a very successful one and I know he was very pleased. I do want to thank you for having taken the time from your busy schedule to come to Washington for this important briefing.

I would like to ask a small favor. I would very much appreciate it if you or someone from your staff could send to me any news stories or articles which resulted from your visit. This type of information will help us greatly in putting together similar events in the future.

Warmest personal regards.

Sincerely,

A handwritten signature in black ink that reads "Joe". The signature is written in a cursive style with a large, sweeping initial 'J'.
