

THE UNIVERSITY OF TEXAS MEDICAL BRANCH GALVESTON, TEXAS 77550

Office of the Dean of Medicine

5 May 1978

Hector Perez Garcia, M.D. 1315 Bright Corpus Christi, TX 78405

Dear Dr. Garcia:

We would like to invite you to come to the University of Texas Medical Branch at Galveston on Saturday, June 24, 1978 for an alumni gathering of Black and Spanish surnamed physicians living in Texas who have graduated from our medical school. The gathering is being sponsored by the Office of Special Programs in the Office of the Dean of Medicine.

We have much to talk with you about and to show you. We would like to give you a tour of the campus and have you meet the premedical students in our summer program. You may know that this is the 9th year UTMB has had a summer familiarization program for Black and Spanish surnamed premedical students. Also we would like to tell you about the many activities we have going such as establishing links with Texas colleges and premedical advisors, recruiting minority students to come to UTMB and putting on health career symposia at various colleges throughout Texas. We would like for you to meet the members of the full-time staff of the Office of Special Programs.

Won't you plan to join us for the day on June 24th? Please return the enclosed postcard as soon as possible so we can make final arrangements. If you plan to come we will assist you in making motel reservations.

Hope you will reserve June 24th on your calendar now.

∕ohn G. Bruhn, Ph.D.

Associate Dean for Community Affairs
