

An Affiliate of Spanish International Network

Washington, D.C. 20500

Sir:

We are proud to be managing the only television station totally owned by local Mexican-Americans and affiliated with the U. S. Spanish Network.

Half the population in the Coastal Bend area of Texas speak, believe, and think, in Spanish. The community has repeatedly proven its support of our advertisers since we went on the air on April 16, 1977. We believe this manifests the need that has been felt as met, and remain at your disposal.

The Carter Administration's Program to Expand Minority Ownership of Broadcast Stations, we hope, will encourage other participants as F.C.C. licensees.

Respectfully yours,
