December 11, 1978

Dear Friend:

I want to thank you for corresponding with me regarding legislative issues during my first session as State Representative. I am most honored to serve the people of Nueces County, and your cards, letters, telegrams and phone calls help me to represent you better.

The 66th Legislative Session will be called to order on January 9, 1979, we will be dealing with many important issues that concern you and your family. We will be considering various forms of tax-cuts, school finance formulas, the abolition and re-organization of state agencies, and many things more.

I will sponsor a bill to create a Guarantee Student Loan Program, another to increase the availability of automobile insurance for the handicapped and more people oriented legislation.

I hope you will let me know how you feel about the issues we will debate. I feel that I can, then, do a much better job as your representative.

Yours truly,

A handwritten signature in cursive script that reads "Arnold Gonzales".
