Dear Dr. Garcia:

I would like to thank you for attending the meeting held September 11 at the Veteran's Outreach Program office. Your attendance and cooperation at the meeting led to quick clarification of the exemption.

Let's work diligently from now until September 21 to make as many people who qualify for the exemption aware of it. If I may be of any assistance please feel free to call upon me.

Sincerely,

A handwritten signature in cursive script that reads "Hugo".
