Dear Dick:

I am very sorry to inform you that the United Way is unable to provide you with the names and addresses of those people who made direct contributions to the U. S. O. in the Combined Federal Campaign.

The problem is simply that the individual pledge cards are sent back to their respective payroll departments. To further complicate the problem, if an individual is transferred his financial records are also transferred.

If you need more of an explanation please don't hesitate to call.

Best regards,

A handwritten signature in cursive that reads "Steve".
