Dear Honored Guests:

It is with great enthusiasm that we, the officers and members of IMAGE De Austin, extend to you a most cordial and special invitation to join us at our Banquet/Dance on October 12, 1979. It is because we think of you in the highest of esteem that we are making an honest effort to have you in our company on that special occasion. We will do everything possible to accommodate your presence into a comfortable and memorable one. Please let us know if you and/or your representatives will be attending by October 4, 1979. The following is information you will need to make your plans accordingly:

IMAGE De Austin Installation of Officers Sheraton Crest Inn October 12, 1979

Dinner/Dance Ballroom 7:00 PM - 1:00 AM

Music by Nash Hernandez Orchestra

\$10.00 per person

It is our sincere goal not only to include you in our future projects, but to cooperate in a total involvement that will generate better and united working efforts by both parties. We all share the same interests and we are rendering our services and energies for the upward mobility of our people, the Hispanic Americans. Therefore, we are extending our hand in welcome and in hope that we bridge the gap statewide and that we become a united force and consequently a louder and more powerful cry for equal opportunity in achieving high triumphs. If we do not meet total and immediate success, we can at least state that we dared valiantly and in a united way.

Looking forward to a positive response, we remain

Respectfully,

Allina Abbie Muñiz
