Re: Hispanic Advisory Committee

Dear Dr. Garcia:

I regret that you were unable to be with us at the initial meeting of the Hispanic Advisory Committee on November 7. The nine members who were present decided to formalize the Working Group into an advisory committee instead of operating on an ad hoc basis. Since that will take about two months, I have tentatively scheduled our next meeting for January 1980. My staff will keep you informed of the progress in establishing the Advisory Committee and will provide you with the details of our next meeting. I hope to see you at that time.

Sincerely,
