Dear Dr. Garcia:

Only when Pickle wants something for the gringos does he remember the Mexican Americans. I wonder where he was when we wanted our people to work there.

Sincerely,

A handwritten signature in black ink that reads "Vicente T. Ximenes". The signature is written in a cursive style with a large, prominent "V" at the beginning.

EQUAL EMPLOYMENT OPPORTUNITY COMMISSION
WASHINGTON, D.C. 20506

June 29, 1971

Dear Friend:

You have my deepest appreciation for writing to The President on my behalf. It is at times like this we discover our friends and therefore get the opportunity to thank them.

During my term as Commissioner of the Equal Employment Opportunity Commission, I carried out the letter and spirit of the law. My insistence that justice be done undoubtedly caused those who violate the law to become my enemies. I have no regrets if in fighting employment discrimination I became the target of those who break the law.

President Nixon will not reappoint me to the Commission. Nevertheless, it was an honor and a great opportunity to serve my country in a position of trust. My sincere thanks to you and others who have consistently supported me. I hope I will continue to merit the confidence you placed in me as a Commissioner of EEOC.

Sincerely,

A handwritten signature in cursive script that reads "Vicente T. Ximenes".

Dear Dr. Garcia:

Attached is a letter sent here by Mr. del Valle of Seattle, Washington. I noticed where he made no reference to the American G I Forum in his letter, I am therefore bringing this matter to your attention.

Sincerely,

A handwritten signature in cursive script, appearing to read "Vicente".
