Dear Mr. Young:

This is in further reply to your inquiry in behalf of Private First Class Faustino Garza who requests deferment from foreign service because of his health.

Military authorities at Fort Sam Houston, Texas report that Private Garza has been deferred from oversea assignment until 14 February 1964 at which time he will be physically evaluated at a military medical installation to determine whether he is physically able to perform oversea duty. You may be assured that Private Garza will receive every consideration consistent with the findings of medical authorities.

Thank you again for your interest in this serviceman.
