Dear Dr. Hector:

Enclosed herewith is the copy of a letter I have now received from the Bureau of Medicine and Surgery in further response to my request that a complete medical examination with special emphasis on ear problems be conducted for Private Robert V. Gonzales, United States Marine Corps.

Dr. Hector, I was glad to make known my personal interest in this young man in an effort to be helpful. Should further developments indicate that I may be of additional service in any way, I certainly want to do so.

With kindest regards, I am

Sincerely yours,

John Young
