Dear Dr. Hector:

Enclosed herewith is the copy of the letter mentioned to you on the telephone relative to our interest and request on behalf of Mrs. Ninfa Rodriguez and Mrs. Beatrice Perez and their continued participation in the Vista Program in the Robstown area.

In view of your personal interest expressed regarding the outstanding job these ladies have been doing with Vista in Robstown, I have been glad to urge that their participation in the Program be extended. I am disappointed that Mr. Ramos' letter does not respond favorably to our desire that their contracts be extended for at least one additional year. However, I have noted his statement in paragraph 2, page 2, to the effect that they are examining the possibility of extending the terms of service of Mrs. Rodriguez and Mrs. Perez until such time as new Community Volunteers can be recruited and trained. I will continue my interest in this regard in an effort to be helpful in every possible way.

With kindest personal regards, I am

Sincerely yours,

John Young

Dear Dr. Hector:

I am continuing in contact with Air Force Headquarters in an effort to be helpful to Sergeant Jose L. Garcia regarding his request for humanitarian reassignment.

Enclosed herewith is the copy of an interim letter of reply I have received from Air Force Headquarters. I have forwarded to them copies of the documents in support of this case which you recently sent me and have requested that they see that these documents are considered along with other evidence submitted by Sergeant Garcia on his humanitarian request. Just as soon as I receive any further information from Air Force Headquarters I will write you again.

With kindest regards, I am

Sincerely yours,
