Hector P. Garcia, M. D. 1315 Bright Street Corpus Christi, Texas 78405

Dear Dr. Hector:

Enclosed is a copy of a letter that I have received from the Department of the Air Force advising me of the decision made on the application of Sergeant Jose L. Garcia for a humanitarian reassignment.

I sincerely regret that the application did not meet the criteria of the Air Force for approval in that the parents of Sergeant Garcia are suffering from chronic illness and cannot be resolved within the 18 month limit set by the Air Force.

Dr. Hector, I want to assure you of my continued desire to be of assistance when possible, and regret that my effort was not successful in this case.

With kindest personal regards, I am

Sincerely yours,

John Young

## DEPARTMENT OF THE AIR FORCE WASHINGTON 20330

OFFICE OF THE SECRETARY

OCT 1 9 1972

Dear Mr. Young:

This is in reply to your inquiries of September 22 and October 3, 1972, in behalf of Sergeant Jose L. Garcia concerning his assignment status.

Sergeant Garcia's application for humanitarian deferment was carefully considered by the Strategic Air Command including a review by an Air Force physician but was disapproved since it did not meet the criteria for approval. In this regard, his parents' illness is chronic. Therefore, problems associated with this illness are not resolvable within 18 months.

Your personal interest in Sergeant Garcia is appreciated.

Sincerely,

MICHAEL L. SORRENTINO, Col., USAF Congressional Inquiry Division Office of Legislative Liaison
