Dear Dr. Saenz:

I genuinely appreciate your thoughtful letter of April 4 and the generous remarks therein regarding my continuing interest and efforts to be helpful in the immigration problem of your mother, your sister, her husband and their children. Our mutual good friend, Dr. Hector P. Garcia, sent to me a few days ago the birth certificate for Nancy Helen Guevara, the baby daughter born on March 12 to Dr. and Mrs. Rene Guevara. I am making this document a part of my file in the case for further reference and inquiry with the Immigration Service.

Again, my thanks for your good letter, and you may be assured that I will continue to be helpful in every possible way.

With kindest regards, I am
