Dear Dr. Hector:

This letter has further reference to my additional inquiry with Marine Corps headquarters in an effort to be helpful to Mr. Francisco Garcia who is the father of L/Cpl. Luis Garcia III. Mr. Garcia was interested in learning whether his son would have to serve the full 5 year sentence given by the Japanese government in his case and what procedures for review, revision of sentence or time off for good behavior might be available to a person in this circumstance under Japanese law.

Enclosed is the copy of an interim letter of reply from Marine Corps headquarters in this regard. I will certainly continue my interest and will write you again just as soon as I hear further from Marine Corps officials.

With kindest regards, I am

Sincerely yours,

John Young
