Dr. Hector P. Garcia, Chairman
The American G.I. Forum of Texas

Dear Dr. Garcia:

I have received the message signed by you and others in reference to the treatment of Latin-American people.

You know my attitude on this general subject and I know that you are acquainted with the earnest effort I am making to promote good relations between Latin-American and Anglo-American people in our State.

I am also determined to see that all of our people receive equal protection under the laws.

I shall investigate the incidents which you have mentioned.

I thank you and your associates for your communication.

Sincerely yours,

ALLAN SHIVERS
