

## PRESTON SMITH

GOVERNOR OF TEXAS

January 2, 1970

Dr. Hector P. Garcia 1315 Bright Street Corpus Christi, Texas 78405

Dear Hector:

During these past eleven months it has been my responsibility as Governor, to direct the affairs of our state and to bring about constructive programs that would provide the essential services for our citizens.

With the cooperation and assistance of citizens like you, we have already accomplished many of our objectives and, I believe, have acted in the best interest of all our people. My high honor in serving as Governor has been rendered more meaningful by your awareness of, and your participation in, state government and the political process.

As we work together in the future, I want you to know that I earnestly solicit your continued interest, your support and your encouragement.

Sin*ce*rely

Preston Smith Governor of Texas
