Dear Hector:

I have just now returned to Washington after visiting other Texas cities upon my departure from Corpus Christi.

Again, Hector, let me extend to you primarily, and to the other members of the American G. I. Forum, my most sincere congratulations on the fine and outstanding Convention. I thought that Vice President Humphrey's participation was great and I truly enjoyed his talk.

My appreciation to you for the invitation to attend and to participate in the activities of the Convention. Delfina also enjoyed very much the opportunity to see your sister, for she is very fond of her.

Let me know when you are coming up to Washington again, as we are looking forward to your next visit.

With warm personal regards and best wishes.

Sincerely,

Raymond Telles
Ambassador
