Mr. Rudy L. Ramos, Director
Washington, D. C. Office
921 17th St. N.W., Suite 301
Washington, D. C.

Dear Rudy:

This is to acknowledge receipt of your telegram regarding the August appropriations for the month of August.

This will also inform you of a conversation by telephone with Teen Flores, National Chairman, in which he in turn was going to notify you that due to the big expenses incurred at the National Convention and the trip to Washington, D. C., I was to hold off on sending you the August appropriations at this time.

I regret to inform you that our financial situation is not what we would like it to be. Unless otherwise instructed by the National Chairman by letter, I cannot send you the money at this time.

It was nice seeing you at the National Convention.

Sincerely yours,

Louis P. Tellez
