Dear Doctor Garcia:

Thank you very much for your recent letter concerning legislation which would provide for waiver of the English speaking requirement for naturalization in some instances. I feel that so long as the waiver is limited to people who have lived in the United States for a long period, it is commendable. Therefore, I look forward to supporting the legislation when it comes before the full Senate body.

It was a pleasure to hear from you.

Sincerely yours,

John G. Tower
