Mr. Pedro H. Mendez General Delivery Robstown, Texas

Dear Sir:

Regarding the payment for your parents as dependents, we have received the following information from San Antonio:

"Veteran had established dependency of parents in 1947 but at the time of his advisement for training under PL 16 he stated that he was not claiming any dependents. In view of his statement, he has been paid as a single veteran. VRE Division advises that that they are going to write to the veteran and inform him of the action necessary to obtain additional subsistence allowance for his dependents."

We hope that this explanation will help to clear up the matter and we stand ready to helpx you whenever we can do so.

Yours very truly

RayS. "arney Contact Representative
