Dear Dr. Garcia:

I have your most welcome letter of March 21, with the enclosed snapshots. They are delightful. I am very appreciative of your thoughtfulness.

One of the nicest memories of my experience in Trinidad was the time that we were able to spend together. Your valuable contribution to the Mission helped to guarantee its success. It was a delightful experience for me. Please give me a ring on your next trip to Washington. It goes without saying that if I get down your way I will let you know before hand.

With best wishes, I remain

Sincerely yours,

George L-P Weaver

Dear Dr. Garcia:

Jerry Holleman has sent to me a copy of your January 21 release in which you request Governor Price Daniel to introduce legislation in the special session to end all discrimination in Texas. I thank you for your very warm and kind words. You may be sure that this incident will in no way deter me from continuing the work to which I am dedicated.

Sincerely,
