Dear Hector:

Again, I want to express my appreciation for the fine reception given by your family, your staff, and the staff of radio station KCCT during my brief visit with you during the Christmas holidays. Mary sends regards to all of you and many thanks for the present given her.

By separate mail I am sending the tape recording taken at the national convention. It was not Fred Chavez's fault that it was delayed so much, but rather an engineer at the radio station who was supposed to transfer it to two half hour tapes. He never did it so Fred Chavez told me to take it and send it and perhaps radio station KCCT can transfer it to the small half hour tapes. According to Chavez not all the radio stations have the facilities to play the hour tapes. The cost of the tape and reel was \$17.50, but it now belongs to the National office since I went ahead and had him send the bill to this office.

I am sending with the tape a routing so that as many Forums can get the use of it and also so that the tape can be returned for future use.

Enclosed find check in the amount of \$30.00 for 6 memberships in the 1,000 club. They are my own, Atty. Waldo Ximenes, Dr. Edward Ximenes, Jose Ximenes, Ben Ximenes, and Rudy Valdez (brother in law). Please see to it that bulletin subscriptions are sent in, except my own since I get mine through the local Forum.

Regards to De Anda and Herbert.

Sincerely yours,
Vicente
