OFFICE OF THE NATIONAL CHAIRMAN

April 28, 1958

Dr. Hector P. Garcia  
3024 Morgan Ave.  
Corpus Christi, Texas

Dear Hector:

After crediting your account with \$40.00 which was the amount of the money order, we have you charged out with \$223.14 which includes caps, pins, and convention buttons.

The cost of the three dozen caps you are now ordering is \$108.00. This brings your total account to \$331.14.

I have just received an order of caps, pins for both ladies and men. The bill amounts to \$816.00 and therefore if you can sell the caps I am sending right away it would help out the national office to meet this bill. Of course we will be well prepared for the conventions in so far as these items are concerned. As of this date we have enough caps, pins, buttons, and car decals. By the way you haven't told me if you received the sample I sent you. Those things are very good, but very expensive. They cost 30 cents apiece to have them made and therefore I have to charge 50 cents in order to cover mailing and handling costs.

I received the convention information and it is very good. The matter of inviting Arch-bishop Lucey is a good one. I certainly hope he accepts. I think that sometimes we pay expenses which are too much and to people who have never done anything for the GI Forum. Archbishop Lucey however has done a great deal for us.

Regards to everyone.
