OFFICE OF THE NATIONAL CHAIRMAN

7

July 12, 1958

Doctor Hector P. Garcia, National Chairman
3024 Morgan Avenue
Corpus Christi, Texas

Dear Hector:

Our trip back to Albuquerque was satisfactory and we stopped in Fort Stockton and Sonora and left convention magazines with some GI Forum members there. I believe there's no question that the 10th anniversary convention of the GI Forum was an outstanding success and certainly due in great measure to your untiring efforts to make it so. Again I wish to thank you very much for taking your own personal time to see that my family as well as myself were ~~adcommodated~~ ^{conveniently} adcommodated.

Proceedings of the National Convention will be made up as soon as possible and copies mailed to your office and distributed to all persons who registered at the convention. Now to the business at hand. As you know, I asked Mr. Velasco to write a letter concerning the amount of money that he paid into the Bulletin. If you recall, Mr. Velasco has asked that the pledge of the Texas GI Forum be cancelled and that they be given credit for the pledge in the form of money contributed to the Bulletin. Secondly, he ^{does} wants to deduct the publishing costs of about \$218 from the ^{due} owed to the National Officers. As I told you before, the deducting of the publishing costs seems to be reasonable, but as for the other, ^{is for} it seems the only solution. Mr. Velasco, Mr. Phillips and yourself meet and come to a decision. Whatever decision you three make will will of course be satisfactory with me.
