Mr. Walter H. Richter  
Regional Director  
Office of Economic Opportunity  
Lowich Building - 4th Floor  
314 W. 11th Street  
Austin, Texas 78701

Dear Mr Richter:

Dr. Hector Garcia showed me your message on the occasion of the reception in Corpus Christi. I wish you could have been there as it turned out to be a warm and friendly gathering. My friend, Dr. Garcia, was most kind and the GI Forum from many surrounding cities joined in the reunion.

While the reception was a great event for me, I was very much moved by burial services which I attended in Corpus Christi for a Mexican American soldier killed in Vietnam. Dr. Garcia and the GI Forum did a tremendous service to our country by showing the bereaved parents the great debt which we all owe to them for the supreme sacrifice of their son.

Thank you very much for your thoughtfulness in sending a message of regret.

Sincerely,

Vicente T. Ximenes  
Commissioner
